Summer

From The Helm

Philip Costa Commodore

Ahoy Mates!

Summer is here in full swing. The yacht club has been full every Friday night. We have had great food and good times. I would like to welcome all the new members. It is nice to see all the new faces. I can't wait to get to know everyone. The flood caused the marina road to be closed for two weeks. We have rescheduled the events that we missed during that time. Please see the website HCYC-TX.com for up to date information. Rockin' The Balls is July 16th from 11:00am to 8:00pm. Please come early. We will have a one-way shuttle that will provide your friends from the "T" at Can-

yon Lake Marina to your boat. That way your guests that can't make it out early can still make it to you. It will be the biggest best party of the year. Please take an extra chance to think our sponsors.

We also have our Rockin The Balls 3 shirts available in the club. We have regular T Shirts small through XXX Large for \$14.00 and Women's Tank Tops small through XX Large for \$15.00. Please text me if you are interested in specific sizes. I can hold them for you.

JUST HAVIN FUN!

Philip

At The Helm... Watch Out!

T.G.I.S - Thank Goodness It's Summer.

Randle Moore, RC Sail

The time we all look forward to has finally arrived. It's time to enjoy our beautiful lake. **Club Owned Sunfish** - Did you know we are the only yacht club on the lake that has club owned and maintained sailboats available for members' use. All our Sunfish are well cared for and in good condition. Contact me if you have questions or concerns about the Sunfish, want to reserve use of a boat(not required but recommended for special events), need help rigging a boat, or need instruction for sailing.

Summer sailing - As summer moves along, it gets a little warm and some folks say it's too hot to sail. Have you considered these ways to enjoy sailing? **Sail a Sunfish** - Free board is just a few inches. You gets lots of water spray. If you want to drop over the side for a dip, reboarding is easy.

Pack a lunch and sail to the island. Play in the water and sail back. **Anchor your boat** - Take your

boat out to a sheltered cove, anchor, and use your boat as a swim platform. When you get your boat out on the lake, the natural a/c turns on. Anchored in a gentle breeze is awesome. **Go for an evening sail** - Around 7:00 pm, the evening breeze generally fills in and the temperature is much cooler. **Sail by the Light of the Silvery Moon** - Plan to sail on a full moon or near full moon night. No operating running lights on your boat? Easy fix. Academy, Bass Pro Shop, West Marine all sell battery operated red/green and white navigation lights.

Racing News - Congratulations to **Charles Hankins**, winner of the June Regatta Long Distance Race. Remember upcoming July LCYC racing of the Leukemia Cup 4th of July weekend and the Summer Series. **HCYC's next racing event** is the annual MoonLight Regatta Long Distance Race on August 20th. Plan on participating.

REALLY BIG THANKS GO TO - **Anrie Wilenken** for pitching in and helping with the Sail Program. **Tammy Ogletree** for all she's doing for the club and Sail Program. **Charles Hankin's son Justin**, who loaned us the use of his ski boat for the June long distance race. **Last, but not least**, I'd like to welcome all new members of HCYC, especially **Judy Northcutt-Benedict**, **Juan Ramirez-Sotelo**, **Bill Teehey**, and **Stace Vercher**. Share our passion for sailing , *Randle Moore*

Fun, Fun, Fun and More Fun.

Thank you to all the dedicated members that has been around for years and years and a warm welcome to the new members that signed up in 2016. This year we have 26 new members that signed up and we are hoping there will be more sign ups to come.

Our open House on April 23, 2016 was a huge success with live entertainers: DJ by Ruben, Brenda Varne and the Double Down. The June 18th Brisket Dinner, thanks to **Wayne Anderson**, was a huge success. The attendance for both of these events was between 70 and 80 people, part of the entertainment for the 18th was Texas KGB Band and everyone had a great time.

I've talked to many members who think the Friday's events have been a great success and that's thanks to the help with both big or small tasks. Thanks to **Wayne Anderson**, **Brian** and **Joy Lindsey**, **Terry** and **Susan Hooper**, **David Hernandez**, **Greg** and **Laura Theisz**, **Roy Cantu**, **Philip Costa** and **Lisa Roper**, **Linda** and **Cecilio Hernandez**, **Donna** and **Archie Dishman**, **Sharon** and **Michael Ford**, **Donita Klement** and **Capt Bob Layman**. I hope I did not forget any names if I did my apologies but you know who you are.

Our next big event is the **3RD ANNUAL ROCKIN THE BALLS PARTY AT CANYON LAKE** on July 16, 2016 from 11:00 PM to 8:00 PM. We will have live bands featuring: Natalie Rose, 3 Man Front, Brittany Shane and Gary Glenn. It will be a blast and fun in the sun. Our host is our very own **Joe Pyle** and **Tripp from the Tripp Comedy Club**. Fajita tacos served, free of charge while supply lasts. ****Don't forget our SILENT AUCTION coming up soon on Sept 3, 2016. Look for emails to follow.****

Thank you. We'll be seeing you soon around the lake and enjoying each other's company at the yacht club,

Hati Cantu

2016 Social Director

Friendly Reminder: The **ON / OFF** switch to the outdoor deck **Ceiling Fans** is located on the starboard-side of the deck auxiliary doors, also check the aux door deadbolt lock when closing up our club **haus**.
